A photograph for the Society's Album was received from  
Dr. C. A. Oliver.

Prof. Cope presented a communication for the Proceedings  
upon the "Classification and Phylogeny of the Artiodactyla."

The Secretaries presented two communications from Mr.  
Samuel Garman (Cambridge, Mass.), on the "Reptiles and Ba-  
trachians of Grand Cayman" and on "West Indian Reptiles  
in the Museum of Comparative Zoölogy (Cambridge, Mass.)."

Pending nominations No. 1156, 1159, 1164, 1169 and 1170  
were read.

A communication was read from the Committee on Library,  
in reference to the operation of the resolution of the Society,  
of January 7, 1887, and on motion of Dr. Horn, the Society  
resolved that the resolution of request of January 7, 1887,  
should be rescinded.

Mr. Ames suggested that in the absence of papers intended  
for the Proceedings or for the Transactions, the meetings of the  
Society should be enlivened and enriched by unwritten com-  
munications; that members should report the best results of  
their reading and reflections on subjects of science and phil-  
osophy.

Mr. Fraley, in reply to a question, described the social and  
conversational features of the Society's meetings after adjourn-  
ment in earlier times.

Mr. Ames made reference to the recent address of the Presi-  
dent of the British Geological Society, on "The Relations of  
Mind and Matter," after which a discussion ensued, participated  
in by Messrs. C. G. Ames, Philip H. Law and Prof. E. D. Cope.

And the Society was adjourned by the President.
